Dear Members and friends,

Autumn greetings to all! It has been an incredibly busy fall already. Apologies for the delay in getting this e-news to you.

Please note there are **two** new Medical section newsletters to peruse full of lots of updates on current publications, international trainings, and more.

All the best for these last months of 2016!

~ Barbara Bresette-Mills

Michaela Glöckler would like to draw your attention to the attached information on **International Eurythmy Therapy Training** for Physicians and Medical Students. Much appreciated if you could also make this information available to other colleagues who may find this of interest. Thank you.

Stuttgart Declaration on Integrative Medicine

"The Stuttgart Congress illustrated the support that integrative health and medicine offers to addressing global health challenges such as antimicrobial resistance and non-communicable diseases; to expanding universal health coverage; and to addressing social, economic and environmental determinants of health at the individual and community level." - - -

- - "A Call for Action: Based on our commitment to reach the Sustainable Development Goals 2030 and a shared vision to improve human health and wellbeing for all, we aim to build a concerted, global movement to advance the integrative health & medicine approach, based on mutual respect, exchange, collaboration and cooperation."
